2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Prairie Point Metropolitan District No. 2 (the "District") was organized December 10, 2001 by Order of the Arapahoe County District Court and has a Second Amended and Restated Service Plan dated April 22, 2024, to provide financing for the design, acquisition, installation and construction of water, streets, public transportation, traffic safety, parks, open space and recreation, sewer and drainage facilities, mosquito control, limited fire protection and emergency medical, limited television relay and operation and maintenance of the District. The District's service area is located entirely within the City of Aurora in Arapahoe County, Colorado.

On May 2, 2024, Prairie Point Metropolitan District Nos. 1-3 (the "Districts") entered into that certain Third Amended and Restated Prairie Point Community Authority Board Establishment Agreement (the "CABEA"), having an original effective date of September 16, 2021, creating the Prairie Point Community Authority Board (the "CAB"). The CAB was formed for the general purposes of coordinating the provision of services and Public Improvements for the Prairie Point development (the "Development") in accordance land use regulations and development standards of the City of Aurora and Arapahoe County. Among other items, the CABEA establishes that the CAB will issue indebtedness to finance the Public Improvements that the Districts are authorized to finance, construct and/or acquire pursuant to their respective Service Plans, and that the Districts will levy ad valorem property taxes and transfer the related revenue to the CAB for making payment towards such indebtedness and for funding administrative expenses of the Districts as well as operations and maintenance expenses related to the Development.

At the November 6, 2018 election, District voters approved authorization to increase property tax up to \$20,000,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District. Debt authorization was approved in the amount of \$2,500,000,000 for the above listed facilities and \$250,000,000 for the purpose of refunding debt. The voters also authorized debt of \$250,000,000 for the cost of operating and maintaining the District's systems. The election provided for intergovernmental agreements as multi-fiscal year obligations and allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law. However, pursuant to the District's Service Plan, the total amount of debt that the District is permitted to issue cannot exceed \$250,000,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is required to impose a maximum Required Mill Levy of 86.591 mills for collection in 2025. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up and deficiencies in the Reserve Fund].

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2025, SB22-238, SB23B-001, SB24-233 and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 6% of the property taxes collected.

Revenues (Continued)

Aurora Regional Improvements Mill Levy

Pursuant to the Service Plan, the District is required to impose a mill levy for payment of the planning, designing, permitting, construction, acquisition and financing of the regional improvements described in the ARI Master Plan. The ARI Master Plan is one or more master plans adopted by an ARI Authority establishing Regional Improvements which will benefit the taxpayers and service users of the districts which constitute such ARI Authority, which master plan will change from time to time. The District is a participant in the South Aurora Regional Improvement Authority. Revenues collected and held under the ARI mill levy will be held in a segregated account for the benefit of the Authority. The required mill levy is 1.000 mill for collection beginning in the first year of collection of a debt service mill levy and continuing for 20 years, and thereafter, for another 20 years (or until the date of repayment for debt incurred for Public Improvements (excluding Regional Improvements), whichever is first) the required mill levy is 5.000 mills, and for the following 10 years, the required mill levy is equal to the average debt service mill levy imposed in the 10 years prior to the date of repayment of the debt incurred for Public Improvements other than Regional Improvements.

Expenditures

Intergovernmental Expenditure – Prairie Point Community Authority Board

Property taxes generated from the mills levied by the District for operations and maintenance, net of fees and other administrative expenditures, are expected to be transferred to the CAB, which pays all other administrative expenditures.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District has no outstanding debt. Additionally, the District has no operating or capital leases.

Reserve Funds

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Prairie Point Community Authority Board, which pays for all District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.

I, Lisa Jacoby, hereby certify that I am the duly appointed Secretary of the Prairie Point Metropolitan District No. 2, and that the foregoing is a true and correct copy of the budget for the budget year 2025, duly adopted at a meeting of the Board of Directors of the Prairie Point Metropolitan District No. 2 held on December 5, 2024.
